FINANCIAL WARRIORS

We need more financial warriors and 12 by 4 givers. Financial warriors set themselves to send either \$10 or \$20 per month to the tribal Treasurer. In lieu of this they may choose to send one larger check once a year.

A 12 by 4 giver sends \$12 four times a year. Each quarterly payment goes to a different need. First quarter: tribe, Second quarter: National grounds expenses, third quarter: Talking Leaves, fourth quarter: scholarship fund.

Also needed are prayer warriors. These are spiritual people that commit to spend time praying for those who are ill, discouraged, those who cross over, and the tribe as a whole.

To become a prayer warrior notify James Blackwolf Barfield
