THE COVERED BRIDGE ON THE NATIONAL GROUNDS OF THE SECCI

FROM THE CHIEF'S CORNER:

Once again, it is the end of another year! A year full of comradery with friends and family, ups and downs and disappointments. But, we survived.

Some projects have had to be postponed. I am afraid the bat problem in the Council House had to take precedence over everything else, because it had gotten so bad. It has now been taken care of. As soon as is possible, the problems with the bunkhouse and cookhouse will be addressed. It will take a little time as Tribal funds are tight due to the economy.

Our Tribal Registrar resigned and we are in the process of trying to rectify this situation. Someone else will have to be appointed to do the task of registering and making ID cards for Tribal members. Until, Tribal registration is put on hold and hope to have it up and running again soon. Vice Chief Don Schreiner is working on this problem.

We have had several members cross over this year. And many more are suffering from illnesses. Please keep the families of the Travelers in your thoughts and prayers as well as those who are sick.

I am optimistic that 2013 will be a better year for every one as well as for the SECCI.

You all remain in my thoughts and prayers. May the Creator hold you close.
